## 2025 Summer Semester Schedule Preparation & Assignments

- This Course is SELF STUDY.
- The Class dates are to keep us on track to complete the semester in a timely fashion. They are not meant to say that you MUST complete each given class on the date assigned to it.
- I suggest viewing all the “**Class Preparation**” material for each class prior to watching the video for the class to follow along.
- All “**Class Assignments**” are **due** two weeks after the class date. (e.g., Class 1, May 19<sup>th</sup>, is due on June 2; Class 2, June 2<sup>nd</sup>, is due June 16<sup>th</sup>).
- Where I have asked for a “**BRIEF**” summary, please keep it under 300 words.
- Each class has an optional study guide found in the “Study Guide” section of the website. (*HINT: They will be useful for the Final Exam.*)
- **NO class is assigned on Memorial Day, Monday, June 26<sup>th</sup>.**
