## STRATEGIC PARTNERSHIP WITH ACU Mentor Protégé Strategic Alliance Partnership

Primus University has been modeled after the original university systems at the advent of education, where Bible teaching was required even for medical and law students. Our graduates become our Adjunct Professors. This allows our students to learn from Christian Leaders that are experts in their field, and authors of the books and materials they teach.

## STRATEGIC PARTNERSHIP WITH ORU Educational Partnership Agreement

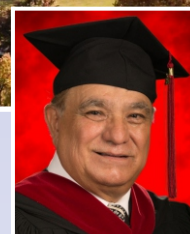

Primus University of Theology and Oral Robert's University have entered into an Educational Partners agreement, to expand opportunities for essential career skills, to benefit students as they prepare to impact the world for the kingdom of God. ORU is committed to develop Holy Spirit-empowered leaders through whole person education to impact the world.
